Most travelers assume that they will be covered by their standard medical plan. The truth is that they are not designed for international travelers/visitors. Without even realizing it, they may be putting their health and their family - AT MAJOR RISK.

- What if they are injured or become ill during their trip?
- What if the treatment they need isn't available nearby?
- Who do they call at 3:00 AM from a foreign country during a medical emergency!
- Will they be there when they need them the most?

Visitor Medical Insurance is one such vital protection.

Who buys International Visitor Medical Insurance?

- Vacationers/visitors and foreign citizens living or working outside their country of citizenship.
- Foreign citizens seeking private medical insurance.
- Foreign exchange students and universities.
- Mutli-national companies
- Employment contractors overseas
- Trade associations
- Missionaries
- Any visa holder (H1, H4, J1, F1, B1, B2, etc)
